

# PEL Ultra Inverter On Glass Door Refrigerator — Key Features & Specifications

Below are common specs across various variants (e.g. 2550, 6360, 21860, 22260 etc.) of the PRUINVO Ultra series:

---

## Common Performance & General Features

Feature	Specification
Voltage / Frequency	220 V / 50 Hz <a href="#">Pak Electronics+3</a> <a href="#">Pak Electronics+3</a> <a href="#">Easy Installments Lahore+3</a>
Climate Class	Tropical <a href="#">Pak Electronics+3</a> <a href="#">Easy Installments Lahore+3</a> <a href="#">PEL+3</a>
Cooling Rating	4-Star in most variants <a href="#">Pak Electronics+3</a> <a href="#">Easy Installments Lahore+3</a> <a href="#">Pak Electronics+3</a>
Defrosting	Manual for both freezer & refrigerator in most variants <a href="#">Easy Installments Lahore+2</a> <a href="#">PEL+2</a>
Temperature Control	Mechanical, adjustable <a href="#">Easy Installments Lahore+2</a> <a href="#">Pak Electronics+2</a>
Interior Lighting	LED light <a href="#">Easy Installments Lahore+2</a> <a href="#">PEL+2</a>
Refrigerant	Often <b>R-600a</b> , though some smaller variants use <b>R-134a</b> <a href="#">Easy Installments Lahore+2</a> <a href="#">PEL+2</a>

---

## Capacity & Sizes (Some Variants)

Model	Total Capacity	Freezer	Refrigerator
PRUINVO 6360	~ 310 L <a href="#">Pak Electronics</a>	~ 90 L <a href="#">Pak Electronics</a>	~ 220 L <a href="#">Pak Electronics</a>
PRUINVO 21860	~ 354 L <a href="#">Pak Electronics+2</a> <a href="#">PEL+2</a>	~ 113 L <a href="#">Pak Electronics+1</a>	~ 241 L <a href="#">Pak Electronics+1</a>
PRUINVO 22260	~ 408 L <a href="#">Easy Installments Lahore+2</a> <a href="#">PEL+2</a>	~ 141 L <a href="#">Easy Installments Lahore+1</a>	~ 267 L <a href="#">Easy Installments Lahore+1</a>
PRUINVO 2550	~ 255-260 L <a href="#">noorcorporation.pk+2</a> <a href="#">PEL+2</a>	~ 85 L <a href="#">Pak Electronics+1</a>	~ 170-175 L <a href="#">Pak Electronics+1</a>

---

## Power Consumption & Efficiency

Feature	Specification
<b>Power Consumption</b>	~ 108 Watts for larger variants (e.g. 22260, 21860) <a href="#">Easy Installments Lahore+2</a> ~ 82 Watts for 6360 variant <a href="#">Pak Electronics</a> ~ 130 Watts for smaller ones like 2550 <a href="#">Pak Electronics+2PEL+2</a>
<b>Current Consumption</b>	~ 0.88 A for large ones <a href="#">Easy Installments Lahore+1</a> ~ 0.65 A for 6360 variant <a href="#">Pak Electronics</a> ~ 0.8 A for others <a href="#">PEL+2noorcorporation.pk+2</a>

---

## Physical / Structural Features

- Glass door design — modern, aesthetic finish. [Easy Installments Lahore+2PEL+2](#)
- Shelves: Glass or wire type depending on variant. [Pak Electronics+2Easy Installments Lahore+2](#)
- Shelving adjustable in many cases. [Pak Electronics+1](#)
- Shape: Some variants have “curved glass door” styling. [Electro Mart+1](#)
