Key Features & Highlights

- **5-Way Evaporator / 5-Way Cooling:** Helps achieve ~ 30% faster cooling in the freezer compartment, compared with standard direct-cool freezers, improving energy efficiency & cooling hours. [Dawlance+1](#)
- **LED Lighting:** Internal LED light(s) for visibility inside the freezer compartment. [Dawlance+1](#)

- **Door Lock:** Safety lock on doors (for child safety / security) [Dawlance+2Kharido+2](#)
- **Low Voltage Startup (LVS / Signature LVS):** Some versions (especially “LVS”) support low-voltage startup so they work better in places with fluctuating power. [Easy Installments Appliances+2Kharido+2](#)
- **Quick Freeze Button:** For faster freezing (rapid drop in freezer temperature) in some variants. [Easy Installments Appliances+1](#)
- **Stucco Diamond Interior Sheet:** Internal lining in some models to allow clean interior surface and maybe improved durability. [Al Madad Electronics+1](#)
